

Hi! I'M MRS. MOORE

Teaching is an absolute passion of mine. I am so excited to work with you and your child. It's going to be a year full of fun, learning, and lots of adventures and I can't wait to see what the year has in store for us! I thought you might like to know a little bit about me.

I am married to my wonderful husband, Tim. We have a daughter (Lauren) who is in ninth grade at HHS and another daughter (Emily) who is in fifth grade at ARIS. They take up most of my free time, but some hobbies I enjoy are doing triathlons, doing marathons, going out to eat, and reading.

I have lived in Hillsborough my whole life. I went to Hillsborough High School and graduated from West Chester University in 2000 and TCNJ in 2008 with my masters degree. I am the oldest sibling in my family. I have a younger brother, Jay, who lives in Virginia with his wife and my two nieces.

This will be my TWENTY-FOURTH year teaching at Hillsborough Elementary School. I taught TP for three years, third grade for three years, and the rest of my time has been in fourth grade. I absolutely love teaching fourth grade. It is my mission to instill a love for learning in my students. I attempt to teach with a passion for all the subjects so that my students develop a desire to become lifelong learners. Please let me know if you have any questions or concerns. It is so important to keep communication open between us and I would love to talk to you whenever you feel the need. I look forward to a great year together.
