

Dear Parents/ Guardians,

I am very excited to start a new school year with your child. The first day of school is September 6th and there are important details of our daily schedule and routines for you to know:

Please pack a healthy snack and drink for your child. It is best to send your child with a snack that is easy to open. Our snack is usually 10 to 15 minutes long, therefore; please limit this to one or two food items.

We operate on a six-day cycle. Days rotate only on the days we are in school. For example, if Monday is Day 1 and there is no school on Tuesday, Wednesday would be Day 2. Gym is scheduled once a cycle, and the children are required to wear sneakers.

We love celebrating birthdays! Due to many food allergies, district policy discourages birthday treats. In lieu of treats, we will celebrate by giving your child a crown and singing happy birthday to your child. Your child can also bring in their favorite book from home if they'd like and I will read it to the class in honor of their birthday. If your child has a summer birthday, don't worry we'll celebrate before the end of the year!

I will provide your child with a Take Home Folder on the first day of school. This folder should be brought to school every day inside your child's backpack. I place school notices, teacher notes, completed work and homework in this folder. Please check the folder daily. Any notes that are sent in with your child should be placed in their folder as well as completed homework assignments. *Please label all of the notes that come to school.*

From the first day of school, your child needs to bring a FULL SIZE backpack.

Your child will be coming home with many papers from our Main Office on the first day of school. Please complete the forms as soon as possible and return them.

I will put a bus tag on your child on their first day of school. Please have your child wear this bus tag for the first week of school. You may also want to go over the bus numbers with your child to and from school. I personally escort all Kindergarten children to their take home bus.

I look forward to meeting you and your child!

Sincerely,

Mrs. Nork
