

Welcome Back!

2023-2024

I am very excited to start a new school year! I spent part of the summer working Extended School Year (with many of your children). The other part of the summer was spent relaxing and preparing for this upcoming school year! Our classroom consists of kindergarten, first and second graders. Specific schedules for each grade will be provided at our back to school night.

As in the past, I will be sending home weekly reports (Friday's) on student behavior. If you have goals that you are working towards at home, please let me know and I can provide feedback if you want.

Below is also a copy of our supply list for this coming year.

The best way to contact me is via e-mail... ksarnelle@https.us

I look forward to another great year, please do not hesitate to reach out with any questions, or concerns!

Sincerely,

Mrs. Sarnelle
