

Dear Students and Families,

Hello and welcome to second grade! I hope you had a fun summer and are looking forward to coming back to school. I am so excited to be your second grade teacher! I have lots of fun activities planned and can't wait to get started in September.

This will be my sixth year teaching second grade at HES and my fourth year working with my wonderful instructional assistant, Mrs. Hook. My favorite subject to teach is reading and I have over 1,000 books in my classroom for you to choose from! I am passionate about teaching life skills, such as kindness, patience, and perseverance, in addition to academics.

I recently moved to Hillsborough in June 2023. Over the summer, I tutored at the Hillsborough public library, spent time with my family and friends, read books at the beach, and played with my silly cat, Luna Roo, who you will hear lots of stories about this year. I have also been getting our classroom ready for all of you! I am counting down the days until the first day of school!

Parents, please take a moment to look at the second grade supply list. We will need these items as soon as possible as we spend the first few days setting up for the year. Please reach out to me if you have any questions. I am looking forward to a fantastic year!

Sincerely,
Ms. Wester
